

**Q: How can people find out about your company and know you're a consultant worthy of their trust?**

**A: You need a customized company video!**

## Exclusive – Customized Company Video

**VIDEO helps you generate more leads more easily:**

- **Website** – leverages Google, world's #1 search engine
- **YouTube** – appears on world's #2 search engine
- **Social Media** – gets 10X greater engagement
- **Email** – doubles click-through and response

Voodoo will create a flagship video for your company, positioning you as a trusted Communications Technology Consultant and SCTC Member. Your 2:00 video is built on our national-quality video template. Simply provide your logo, tagline, 3 areas of expertise and up to 6 optional video clips of your own. You'll receive your new company video in just 10 business days. You get the native HD video file – embed it on your website, upload to your YouTube channel, and use in your social media and email.

**Your own VIDEO gains exposure effortlessly.  
Improves Google page-1 SEO placement by 53X.**
